Santo, TX – SpeedDirect products featured on Jimmie Johnson Corvette

SpeedDirect is the proud suspension and brake supplier for the Jimmie Johnson Corvette debuted at The SEMA Show by General Motors.

General Motors and Jimmie Johnson collaborated on the project creating a unique 1971 Corvette with modern suspension and power train updates including a Gen V LT1 crate engine.

SpeedDirect Shark Bite™ adjustable front and rear coil-overs and braking system were used on the vehicle to provide superior handling and braking.

Mark Flavin, SpeedDirect President said: “It’s an honor to be part of this project, we are proud General Motors and Jimmie Johnson chose our Shark Bite products.”
