Santo, TX – SpeedDirect Matching Donations for Multiple Sclerosis

SpeedDirect is supporting the search for a cure for Multiple Sclerosis by matching all donations made to Team Mustang Girls for Rally North America.

SpeedDirect sponsored Team Mustang Girls will be participating in Rally North America to raise funds for the Accelerated Cure Project, whose mission is to accelerate research for a cure for Multiple Sclerosis. Rally North America is a two thousand mile course following US Route 50 through the states of Virginia, West Virginia, Ohio, Indiana, Missouri, Kansas, and Colorado. Teams follow the course to support charity, and search for secret check points.

SpeedDirect President Mark Flavin said: “We are proud to support Team Mustang Girls and this worthy cause. SpeedDirect believes in helping others, and supports research to find a cure for MS”

Show your support by donating at:

Team Mustang Girls’ Courtney Barber added: “Our awesome sponsor SpeedDirect is helping us out again! The rack and pinion and coil over shocks are amazing but this touches my heart even more. SpeedDirect is going to match every donation made in our name to help support The Accelerated Cure Project for MS.”
