ROD LINKS™

Rod Links Custom Links

Custom length Rod Links Linkages are now available.

The popular Rod Links Clutch Linkages line has been expanded to offer individual links in a variety of lengths to fit almost any use or application.

Each link consists of an Aluminum center link with permanently lubricated self-cleaning rod ends on each end.

These Rod Links replace linkages and brackets adding adjustable PTFE lined spherical bearing ends allowing for trouble free installation and operation.

Rod Links are available in 4 inch to 23 inch center to center lengths, in 1/2 inch increments. Each link offers 1 1/2 inches adjustability for length allowing use in a wide array of applications.
